Adopt-A-Room Annual Sponsorship

Ronald McDonald House Charities® of CNY

Our Adopt-A-Room program is an annual sponsorship opportunity in which you, your group or company can sponsor one of our 25 guest rooms or a first-floor common area in the CNY Ronald McDonald House.

Families drop everything when their child becomes seriously ill or injured, and treatment can often last for weeks or even months. Adopting a room in our home will help us to serve families at a time when they need it most.

Families stay anywhere from one night to several weeks and come from at least 15 miles away from Syracuse to access the best medical care for their seriously ill children. The true cost for the House to provide a 24-hour stay is approximately \$120. Our guest families stay at no charge. Your gift helps to make sure our doors are open every night of the year.

By adopting a room at the CNY Ronald McDonald House, you will directly impact the lives of the many families who will call one of our rooms “home” while their child is receiving medical treatment at our local hospitals and medical facilities.
