

# — Volunteer — WITH US TODAY

## **Ronald McDonald House Charities® of Central New York**

We help keep families with seriously ill children together while they are receiving medical care at Syracuse-area hospitals and their affiliated clinics.

Volunteers are necessary to provide service and support to families in need. Our countless volunteers selflessly dedicate their time and talents throughout the year.

Volunteering your time helps  
**GIVE GUEST FAMILIES  
MORE TIME**  
to spend with their children.

“Every person at the CNY Ronald McDonald House, from the staff to the volunteers, was amazing. They helped make being scared and in a strange place that much easier by offering a safe and comfortable environment. I never felt like a guest. **I felt like family.**”

Amanda Krantz,  
Former guest and high-risk mother
